Dear brother,

Assalaam Alaikum wa Rahmatullah wa Barakatuha

I was very disturbed to receive your letter of 15 October and its deeply shocking news.

I have todady written to the High Commissioner for Bangladesh in London to ask him for his explanation as to how such a thing happened and to request him to take up the issue with his government in an effort to prevent any recurrence of such a tragedy.

May Allah bless you and guide your steps at this difficult time.

Yours sincerely,

Salem Azzam
Secretary General
